

## Curriculum Vitae

### Name: Huba BARTOS

Gender: male

Born: November 15, 1966

Citizenship: Hungarian

Office address: Hungarian Research Centre for Linguistics (NYTK)

H-1068 Budapest, Benczúr u. 33.

tel: (06-1) 342-9372/6011

e-mail: [bartos.huba@nytud.hu](mailto:bartos.huba@nytud.hu)

Current position: senior research fellow, deputy director-general

### 1 Doctoral degree

- 2000            **Ph.D.** in theoretical linguistics (*summa cum laude*), Eötvös Loránd University, Budapest (dissertation title: *Morphosyntax and interpretation: The syntactic aspects of Hungarian inflectional phenomena* [written in Hungarian], thesis supervisor: Michael Brody (University College London))

### 2 Further degrees/qualifications

- 1995            MA, Theoretical linguistics, Eötvös Loránd University, Budapest (with honors)  
1992            MA, Chinese studies, Eötvös Loránd University, Budapest  
1992            MEd, Teacher of English as a foreign language, Eötvös Loránd University, Budapest

### 3 Non-degree studies

- 1993            visiting graduate student, Utrecht University (The Netherlands) (6 months)  
1989–1990    Intermediate Modern Chinese, Beijing Language Institute, P.R. of China

### 4 Language proficiency

Hungarian – native

English – near-native

Mandarin Chinese – fluent

Russian – basic

### 5 Employment history

- 1992–present: Hungarian Research Centre for Linguistics (formerly: Research Institute for Linguistics, Hungarian Academy of Sciences)  
2015 to present: deputy director-general (academic affairs)  
2013–2020: chair, Dept. of Theoretical Linguistics  
2009–2012: chair, Dept. of Oriental Studies  
2002 to present: senior research fellow  
2000–2002: research fellow  
1998–2000: junior research fellow  
1993–1998: doctoral student
- 1997–present: Eötvös Loránd University, Budapest, Institute of East Asian Studies  
2008 to present: associate professor (part-time)

2000–2007: assistant professor (part-time)  
 1997–2000: junior assistant professor (part-time)

1993–1996 Eötvös Loránd University, Budapest, Dept. of English Linguistics  
 junior assistant professor (part-time)

### 6 Major research grants won

2011–2012 “János Bolyai” Fellowship of the Hungarian Academy of Sciences (topic: An antilexicalist model of the productive domain of Hungarian verbal morphosyntax)

2005–2006 [jointly with D.Z. Kádár] Chiang Ching-kuo Foundation (Taiwan, R.O.C.) “The pragmatics of polite self-denigration in the vernacular Chinese language”, grant no. RG002-EU-03.

2004–2005 [jointly with D.Z. Kádár] Chiang Ching-kuo Foundation (Taiwan, R.O.C.) “The Politeness of Chinese Officials – A Study of Addressing Deviances in Pre-modern Chinese Official Discourse”, grant no. RG001-EU-04.

1998–2001 “János Bolyai” Fellowship of the Hungarian Academy of Sciences (topic: Morphosyntax and interpretation)

1995–1996 “A concise Chinese–Hungarian dictionary”, National Scientific Research Fund of Hungary (OTKA), grant no. F 018379

### 7 Participation in other large-scale research projects

2016– “Open Access Handbook Series on the Syntax of Hungarian” National Research, Development and Innovation Office (NKFIH), grant no. K 120073 (*volume editor*)

2012–2016 “Comprehensive Grammar Resources: Hungarian”, National Scientific Research Fund of Hungary (OTKA), grant no. NK 100804 (*module leader*)

2009–2012 “A minimalist approach to syntactic locality”, National Scientific Research Fund of Hungary (OTKA), grant no. NF 73537 (*senior researcher*)

2005–2008 “The syntax and semantics of adverbials” National Scientific Research Fund of Hungary (OTKA), grant no. TS 049873 (*senior researcher*)

1999–2001 “Sprachbund phenomena in West Germanic and Hungarian”, NIAS Dutch–Hungarian Study Center

1998–2000 “Computational Models for Processing Linguistic Information” (COMPLIN), OSSF/RSS grant no. 320/1998

### 8 Awards

2014 Order of Merit of Hungary, Officer’s Cross

2003 “Bolyai” Plaque awarded by the Hungarian Academy of Sciences

2002 Junior Researcher Prize of the Hungarian Academy of Sciences

### 9 Membership in scholarly organizations

2005– International Association of Chinese Linguistics (life membership)  
 2013–2015 member of the Executive Committee

2002– Committee of Oriental Studies, Hungarian Academy of Sciences

2001– European Association of Chinese Linguistics:  
 2003–2009, 2018–present Member of the Board,  
 2003–2006 Vice-President

## 10 Professional services

- 2013– member of editorial board: *International Journal of Chinese Linguistics*
- 2011–2021 head of the Doctoral Program in Japanese Studies, Eötvös Loránd University
- 2001– occasional referee reviews for the following journals: *Lingua*, *Natural Language & Linguistic Theory*, *Nyelvtudományi Közlemények*, *Acta Linguistica Hungarica/Academica*, *Cahiers de Linguistique Asie Orientale*, *Journal of Linguistics*, *Linguistic Inquiry*, *Canadian Journal of Linguistics*, *Studies in Chinese Linguistics*, *Finno-Ugric Languages and Linguistics (FULL)*
- 2004–2014 senior science administrator, Research Council of Humanities and Social Sciences, Hungarian National Scientific Research Fund (OTKA)
- 2002–2013 Chairman of the Board of Trustees, Foundation for Linguistics in Education and Research (Budapest)
- 2006–2009 member, Management Committee of ESF EUROCORES ECRP

## 11 Organizational activities

- 2022 member of organizing committee, 20<sup>th</sup> International Morphology Meeting (IMM20, Budapest)
- 2018 member of organizing committee, 18<sup>th</sup> International Morphology Meeting (IMM18, Budapest)
- 2017 co-chair of organizing committee, 25<sup>th</sup> Annual Meeting of the International Association of Chinese Linguistics (IACL-25, Budapest)
- 2013–2014 member of organizing committee, 16<sup>th</sup> International Morphology Meeting (IMM16, Budapest)
- 2006 chief organizer of the 4<sup>th</sup> Conference of the European Association of Chinese Linguistics (EACL-4), Budapest
- 2004 Organization of a workshop on Chinese syntax and semantics, Budapest, Hungary (granted by the Chiang Ching-kuo Foundation, Taiwan, R.O.C.)

## 12 Short-term teaching activities

- 2019 Lecture series on issues in Chinese linguistics – Erasmus Staff Mobility visit, Peking University (PKU) and Beijing Language University (BLCU)
- 2018 Introductory course in syntax and semantics – Summer School in Linguistics, Research Institute for Linguistics, H.A.S.
- 2003 Minicourse in morphosyntax – UiL-OTS, Utrecht University, The Netherlands

## 12 Doctoral thesis supervision

### 12.1 Completed, with degree awarded

- 2002–2005 Dániel Z. Kádár: The grammar of politeness – a pragmatic study of baihua texts (Eötvös Loránd University, Chinese studies program) – dissertation: *Terms of (Im)politeness: An evaluation-focused research of traditional Chinese (im)polite address terms*. (Degree of PhD awarded “summa cum laude” in 2006)
- 2010–2013 Qiuyue Ye: Teaching Chinese pronunciation to Hungarian learners (Sinology Doctoral Program, Eötvös Loránd University) – dissertation: *Pronunciation*

- Problems of Hungarian University Students Learning Chinese: Analysis, Causes and Possible Solutions.* (Degree of PhD awarded ‘summa cum laude’ in 2014)
- 2010–2014 Min Zhu: Chinese dialect grammar (Sinology Doctoral Program, Eötvös Loránd University) – dissertation: *Studies on Chinese dialect grammar: The Gan dialect of Chongyang* (Degree of PhD awarded ‘summa cum laude’ in 2015)
- 2007–2015 Bernadett Szőke: Appositive structures (University of Szeged, Theoretical Linguistics Program) – dissertation: *Az értelmező szerkezete a magyar nyelvben* [Appositive structures in Hungarian]. (Degree of PhD awarded ‘summa cum laude’ in 2016.)
- 2011–2018 Jing XIE: Basic color terms in Chinese. (Sinology Doctoral Program, Eötvös Loránd University) – dissertation: *Basic color terms in Chinese.* (Degree of PhD awarded ‘rite’ in 2018)

### 12.2 Thesis work in progress

- 2019– Shanshan JIANG: A contrastive analysis of prosodic features in Mandarin and Hungarian (Sinology Doctoral Program, Eötvös Loránd University)
- 2018– Libo FAN: Analysis of pronunciation errors by Hungarian learners of Chinese (Theoretical Linguistics Program, University of Szeged)
- 2013– Kazumi Uchikawa: Teaching Japanese grammar to Hungarian learners (Japanese Philology Doctoral Program, Eötvös Loránd University)
- 2011– Attila Sági: Japanese dialect grammar, as reflected in *rakugo* texts (Japanese Philology Doctoral Program, Eötvös Loránd University)

### **13 Excellence award MA theses supervised**

- 2006 Kornélia Kenderessy: *Vonatkozó mellékmondatok a japán nyelvben* [Relative clauses in Japanese] (Eötvös Loránd University)
- 2006 Éva Dékány: *The English cleft-construction – The it-clefts* (Eötvös Loránd University – Outstanding Thesis Award)
- 2005 Bernadett Szőke: *Kísérlet a magyar birtokos szerkezet minimalista leírására* [An attempt to describe the Hungarian possessive construction in a minimalist framework] (University of Szeged, Hungary)
- 2005 Barbara Egedi: *A kopt mondat elemzési lehetőségei* [Possible analyses of Coptic sentence structure] (Eötvös Loránd University)
- 2000 Andrea Révész: *Subject positions in English* (Eötvös Loránd University – Outstanding Thesis Award)

### **14 Participation in doctoral thesis committees**

- 2020 Leiden University (The Netherlands): Zhaole YANG (thesis: *Yě, yě, yě: On the syntax and semantics of Mandarin yě*)
- 2014 Eötvös Loránd University (Hungary): Gizella Baloghné Nagy (thesis: *Left Dislocation in Optimality Theory*)
- 2014 Eötvös Loránd University (Hungary): Anett Kozjek-Gulyás (thesis: *A nyelvtanulási stratégiák szerepe a kínai nyelv tanulásában* [On the role of learner strategies in learning Chinese as a foreign language])
- 2013 University of Szeged (Hungary): Péter Nádasdi (thesis: *A prenominalis finit vonatkozó szerkezetek vizsgálata a magyarban* [The investigation of prenominal finite relative structures in Hungarian])

- 2005 Eötvös Loránd University (Hungary): Annmária Bene (thesis: Az igék bennható–mediális–tranzitív felosztásának alkalmazhatósága magyar szintaktikai és morfológiai sajátosságok magyarázatában [On the applicability of the ‘unaccusative / unergative / transitive’ classification of verbs in accounting for syntactic and morphological phenomena])
- 2005 Eötvös Loránd University (Hungary): Miklós Gáspár (thesis: Coordination in Optimality Theory)

## 15 Major international conference presentations

### 2020

- Beating a dead horse again? A new perspective on *-er* suffixation (儿化) in Mandarin. 9th International Conference: New Horizons in Oriental Studies. Polish Academy of Sciences & Univ. of Warsaw, Dec 8–9, 2020. [keynote speaker]
- ~~Yet another look at *-er* suffixation. Invited plenary lecture, 11th Conference of the European Association of Chinese Linguistics (EACL-11), Olomouc (Czech Rep.), Sept 26, 2020 – canceled because of COVID-19~~
- ~~Yet another look at *-er* suffixation. Invited talk, 28th Conference of the International Association of Chinese Linguistics (IACL-28), Hangzhou, August 22, 2020 – canceled because of COVID-19~~

### 2018

- Overt controllees as pronounced chain links. 10th Conference of the European Association of Chinese Linguistics (EACL-10), Milano, Sept 28, 2018.
- Overt controllees as pronounced chain links. 26th Conf. of the International Association of Chinese Linguistics (IACL-26), Univ. of Wisconsin-Madison, May 4, 2018. [invited speaker]

### 2017

- Overt controllees. 7<sup>th</sup> International Roundtable of the Journal *Contemporary Linguistics*. Hangzhou (China), Oct 20, 2017. [invited talk]
- 基于实验方法探究匈牙利汉语学习者声母发音方面的偏误 [Laboratory methods in exploring the pronunciation errors of Hungarian learners of Mandarin in the domain of consonants] [with Nikoletta Tusor], Inaugural Symposium of the European Association of Chinese Teaching, ELTE, Budapest, 10–12 February, 2017.
- *Strategies for the what all / was alles construction: Hungarian and Mandarin*. 2017 Debrecen Workshop on pronouns, Feb. 25–26, 2017, University of Debrecen. [invited speaker]

### 2016

- *Manner adverbial expressions left and right*. *Monumenta Serica* Conf. on Sinological Studies in Central Europe, Jagiellonian University, Kraków, Poland, 5-6 May 2016.
- *Contrastive phonetic analysis and laboratory methods in exploring pronunciation errors of Hungarian learners of Mandarin* [with Ye Qiuyue and Nikoletta Tusor], 24th Conf. of the International Association of Chinese Linguistics (IACL-24), BLCU, Beijing, July 17–19, 2016.
- 基于音系对比分析和实验方法的匈牙利汉语学习者语音偏误探究 [Contrastive phonetic analysis and laboratory methods in exploring pronunciation errors of Hungarian

learners of Mandarin] [with Ye Qiuyue and Nikoletta Tusor], 2<sup>nd</sup> International Forum on Chinese Language, Literature and Culture, Beijing Foreign Studies University, Dec 16–18, 2016, [keynote lecture]

### 2015

- *Mandarin Chinese dou with rightward associates*. Budapest Conference on Projection and Representation in Syntactic Theory in honour of Michael Brody, Budapest, 13/04/2015 [invited speaker]
- *Dou with rightward associates: Not a unitary type*. 23<sup>rd</sup> Annual Meeting of the International Association of Chinese Linguistics (IACL 23), Seoul, Korea, 26/08/2015 [invited speaker]
- *The versatility of dou*. 9th Conference of the European Association of Chinese Linguistics (EACL-9), Stuttgart, 24/09/2015
- “都”的右向关联 [*Dou and its rightward associates*]. 1st International Forum on Chinese Language, Literature and Culture. Budapest, 05/10/2015.
- *Does Mandarin dou have rightward associates?* 6<sup>th</sup> Roundtable of the Journal *Contemporary Linguistics*. Soochow (Suzhou) University (China), 06/11/2015.

### 2013

- *The morphosyntax of causatives, and affix multifunctionality*. 11th Int’l Conference on the Structure of Hungarian (ICSH 11), Piliscsaba (Hungary), 31/08/2013
- *The V-copy construction in Mandarin: redux*. 8th Conference of the European Association of Chinese Linguistics (EACL-8), EHESS, Paris, 27/09/2013
- *What all do we know about dou’s rightward associates?* „Quantification in Chinese” konf., CASS Institute of Language, Beijing. 23/11/2013 [invited speaker]

### 2011

- *The V-copy construction in Mandarin: A case (temporarily?) reopened*. Joint International Symposium on the Interfaces of Grammar (CASS Institute of Linguistics, Beijing, 19/10/2011) [invited speaker]
- *Chinese linguistics in Eastern Europe and its contributions to linguistic theory*. 19th Conference of the International Association of Chinese Linguistics (IACL 19), Nankai University, Tianjin (China), 10/06/2011

### 2010

- *Relators, adverbials, complements*. 18th Conference of the Int’l Association of Chinese Linguistics (IACL 18), Harvard University, Cambridge, MA., 20/05/2010
- *The history of Chinese linguistics in Central and Eastern Europe, and its contributions to linguistic theory*. 18th Conference of the European Association of Chinese Studies (EACS XVIII), Latvijas Universitate, Riga (Latvia), 15/07/2010
- *Hungarian causatives and their place in Pylkkänen’s typology*. 11th Int’l Congress of Finno-Ugric Studies (FU11), PPKE, Piliscsaba (Hungary), 09/08/2010

### 2009

- *Relators, adverbials, complements*. 6th Conference of the European Association of Chinese Linguistics (EACL-6), A. Mickiewicz Egyetem, Poznań, 26/08/2009.
- *Hungarian external causatives: monoclausal but bi-eventive*. 9th Int’l Conference on the Structure of Hungarian (ICSH 9), Debrecen (Hungary), 01/09/2009

**2008**

- *Mandarin verb-copying: VP-copying vs. V-copying*. 16th Conference of the Int'l Association of Chinese Linguistics (IACL 16), Beijing. 30/05/2008

**2007**

- *Eppur si muove? Backward control in Hungarian?* 8th Int'l Conference on the Structure of Hungarian (ICSH 8), NYU/CUNY, New York. 24/05/2007
- *'Dou' with rightward associates – redux*. 15th Conference of the Int'l Association of Chinese Linguistics (IACL 15), Columbia Univ., New York. 26/05/2007
- *Power and (im)politeness in traditional Chinese criminal investigations*. [with D.Z. Kádár] 5th Conference of the European Association of Chinese Linguistics (EACL-5), Max Planck Institute, Leipzig, 05/09/2007.

**2006**

- *Degree complements are genuine structural complements*. 14th Conference of the Int'l Association of Chinese Linguistics (IACL 14), Taipei, Taiwan, 26/05/2006.
- *Degree complements – A focus-based account*, XXèmes Journées de Linguistique de l'Asie Orientale, EHESS-CRLAO, Paris, 22/06/2006. [invited speaker]
- [with D.Z. Kádár] *Writing (Im)politeness: Considering the Relation of Chinese Politeness and Impoliteness from Graphic/Semiotic Perspectives*, 16th Conf. of the European Association of Chinese Studies (EACS XVI), Univ. of Ljubljana Egyetem, Slovenia, 01/09/2006.

**2005**

- *Conditions on Conditional Mood*. 7th Int'l Conference on the Structure of Hungarian (ICSH 7), Veszprém, Hungary, 29/05/2005.
- *Dormant quantifiers*. 13th Conference of the Int'l Association of Chinese Linguistics (IACL 13), Universiteit Leiden, The Netherlands, 22/06/2005

**2004**

- *Wh-/Quantifier interactions in Mandarin Chinese*. XVIIIèmes Journées de Linguistique de l'Asie Orientale, EHESS-CRLAO, Paris, 28/06/2004. [invited speaker]
- *Mód és modalitás a magyar mondatban*. [Mood and modality in Hungarian sentence structure] 7<sup>th</sup> International Congress of Hungarian Linguistics, H.A.S., Budapest, 30/08/2004.

**2003**

- *Mandarin V-copying is (often) VP-copying*. 3<sup>rd</sup> Conference of EACL, Universiteit Gent, Belgium, 09/09/2003.

**2002**

- *Verbal complexes and morphosyntactic merger*. 6th Int'l Conference on the Structure of Hungarian (ICSH 6), Heinrich-Heine-Universität, Düsseldorf, 13/09/2002.

**2001**

- *On-line Morphology: The morphosyntax of Hungarian verbal inflection*. DGfS (Deutsche Gesellschaft für Sprachwissenschaft) 23. Jahrestagung, Leipzig, 02/03/2001. [invited speaker]

- *Root Infinitives*. 5th Int'l Conference on the Structure of Hungarian (ICSH 5), Budapest, 25/05/2001.
- *Universal quantifiers and wh-phrases: Dou with rightward associates*. 2<sup>nd</sup> Conference of EACL, Università di Roma "La Sapienza", 08/09/2001.

### 2000

- *Topics, Quantifiers, Subjects: Mandarin Chinese vs. Hungarian*, Int'l Symposium on Topic and Focus in Chinese, Hong Kong Polytechnic Univ. 21/06/2000.
- *Topics, Quantifiers, Subjects in Mandarin Chinese*. 13th Conference of the European Association of Chinese Studies (EACS XIII), Torino, 30/08/2000.

### 1998

- *Affix Order in Hungarian, and the Mirror Principle*, 4th Int'l Conference on the Structure of Hungarian (ICSH 4), Pécs, Hungary. 26/08/1998.

### 1997

- *On 'subjective' and 'objective' agreement in Hungarian*; 21st Penn Linguistics Colloquium, University of Pennsylvania. 22/02/1997.
- *On 'subjective' and 'objective' agreement in Hungarian*; Open Linguistics Forum '97 – Challenges of Minimalism, University of Ottawa, 21/03/1997.

## 10 Other invited public lectures

### 2015

- Den Dikken (2006) 的 Relators 理论怎么对付汉语方式状语与描写补语之间的区别 [How Den Dikken's (2006) *Relators* theory copes with the 'manner adverbial' vs. 'descriptive complement' distinction in Mandarin]. Korea University, Seoul, 29/08/2015.

### 2012

- *Backward A-dependencies*. CASS Institute of Linguistics, Beijing, 20/09/2012.
- 中、东欧汉语研究的历史 [The history of Chinese linguistics in Central and East Europe], CASS Institute of Linguistics, Beijing, 24/09/2012.

### 2011

- 中、东欧汉语研究的历史 [The history of Chinese linguistics in Central and East Europe], Beijing Foreign Studies University, 18/10/2011.
- *Relators, adverbials, complements*. CASS Institute of Linguistics, Beijing, 08/06/2011.

## 11 List of publications
